2027 SPRING GALA TICKETS

6 PM - 9 PM

The Grand Ballroom at the Marriott Syracuse Downtown

Attire: Black-tie optional

Opening Letter from our Executive Director

You can keep live symphonic music in our community.

Join us on May 12, 2027, at the historic Marriott Syracuse Downtown, and help The Syracuse Orchestra provide transformational musical experiences of the highest artistic quality that engage, enrich, and educate. You are what keeps our musicians paid, our concerts on the mainstage, and Syracuse alive with music.

Each concert costs about \$40,000 to bring to the stage. Your support at this year's Spring Gala helps us reach our \$200,000 goal, enough to fund just five of the more than 30 performances we present each year.

I hope you'll join me as we celebrate these extraordinary Champions and Spotlight Recognitions whose contributions exemplify our mission and move it forward.

You are the reason the music plays. Thank you for being part of it.

With gratitude,

Pamela Murchison
Executive Director

CHAMPIONS

- **Robert & Vicki Lieberman** began their relationship as concert attendees, turned season subscribers, guest artist sponsors, and eventual sponsors of conductors and Masterworks concerts. They have commissioned new music from our own Sean O'Loughlin (*Onward!*) as well as Pulitzer Prize winning composer Jennifer Higdon, (*Cello Concerto*). Two memorable performances Robert & Vicki have also helped sponsor included Mahler's Symphony #2 and last season's Defiant Requiem by Verdi. Robert and Vicki receive such joy and delight through their ongoing commitments to keeping the Orchestra vibrant and resonant. Robert has served on the Board of Trustees since 2023.
- **Jon Garland** is Principal Horn, Board Member, and Director of Operations of The Syracuse Orchestra. John studied at The Juilliard School and the Mannes College of Music. He has served on the faculty of Syracuse University and continues sharing his musical expertise as a faculty member of Hamilton College. John has performed with illustrious orchestras throughout his career.
- **PEC, Inc.** is a next-gen, human-driven virtual learning solutions company. Owned by The Feng Family, generations of Feng's have attended concerts and recently gave the Orchestra the use of Inspiration Hall, now our office and performance home, allowing us to reallocate financial resources to compensation for the musicians and staff. Daniel Feng recently joined the Board of Trustees in 2026.

These Spotlight Recognitions exemplify and move our mission forward:

- **Alice Kendrick** is Chair of the Education Committee, and leans on her experience as the Former Superintendent of Jamesville Dewitt School District as she spearheads our youth and education initiatives and strategic plan.
- **Aaron Dubois** is a Syracuse Youth Orchestra alumnus whom we are deeply proud to see continue on with his professional musical career.
- **Saint Agatha Foundation** is dedicated to providing comfort and support to breast cancer patients whose contributions to our program Healing Harmonies for the last 13 years has allowed us to play for hospitals, assisted living facilities, nursing homes, and adult day centers in Onondaga, Oswego, and Cayuga Counties.
